

The ITC Preparatory Course

Why choose our ITC Preparatory Course?

- 1 We are the only university to provide both an ITC Preparatory Course and APC Professional Programme - courses specifically tailored to the professional accounting education of trainee chartered accountants in South Africa.
- 2 We are the authoritative pioneers of online learning in professional accounting education. Our course offers flexibility to work wherever and whenever you want.
- 3 A dynamic experienced academic team that has been involved in professional accounting education through our PGDA, ITC Preparatory Course and APC Professional Programme.
- 4 We focus on exam technique and how you are going to demonstrate your understanding of the academic content. Making sure that you are awarded each possible mark that is within your level of understanding and knowledge.
- 5 The pass rates of candidates who complete our ITC Preparatory Course and APC Professional Programmes have consistently exceeded the SAICA national average.
