The following abbreviations are used in the Programme:
FR - Financial reporting
MAF - Management Accounting and Finance
TAX - Taxation
AUD - Auditing

Please note the changing of the program is a consultative process, involving various parties. What we have attempted to do in adjusting the programme lowering the workload over the busy period, as well as shifting studying to weekends, as working in the evening is difficult during a full work week during lockdown.

**Assessments / Exams will be done from home and you will self-assess. We will provide you with a feedback video on the Monday after each test.*
